Headteacher: Mr Martin Fallon

Dear Parents/Carers

End of Term

Just to remind you that our final day of the school year is Friday 19 July and that we are closed for the children until **Tuesday 3 September**.

Phonics and SATS Scores

We are delighted to share our Key Stage 1 Phonics Check and end of Key Stage 1 and 2 SATS scores with you. To have exceeded the National in every measure is fantastic and something the children should be very proud of.

Attendance

Our whole school attendance figure for this year is 95.9%, falling short of our school target of 97%. However, over 200 children met or exceeded school target, with 38 of those achieving 100% attendance for the year! We have been supported by Hays this year, and children achieving 100% were entered into a draw to win a family pass to Lego Land Manchester or a gift voucher (kindly donated by MPG). Well done to all those children who were at or above school target and congratulations to our three lucky winners we hope to have even more children being entered into the draw next year.

Thanks to MPG

I am delighted to announce that the MPG raised a whopping **£3935.84** at the summer fair. This is simply amazing! A huge thanks goes to all those people who worked so hard to help create what was a lovely day. Over the year, the group, I am delighted to reveal, have raised in excess of **£14,000** for the school. As you know it is very rare that I find myself speechless, but this is absolutely remarkable. I would like to thank MPG for all their hard work over the last year. You have all been tremendous and we are constantly astounded by your drive and enthusiasm.

PE Kits & Competition Tops

I would like to remind parents to ensure that the children bring home their PE Kit for a well-deserved wash. Any lunchboxes found in school during the first week of the holidays will be destroyed! Also, Miss Mossman reports that there are rather a lot of school's competition tops missing in action – please can we request that these are returned to school as soon as possible.

Goodbye – Y6 and Staff

Once again, we would like to say goodbye to Mrs Buccieri. Mrs Buccieri made a return visit to us back in March when she came out of retirement to cover Miss O'Neill's maternity leave. This time last year, we predicted that we *"...have a good feeling this won't be the last time we see Mrs Buccieri teaching at Mosborough!"* and that prediction came true. Mrs Buccieri will still be a familiar face in school in September as she will still continue to support us with cover.

We also must say goodbye to the children who are leaving us and going on to new schools. We wish you all the very best at your next place of learning.

Goodbye from Him

What an incredible year it has been! Yet again, the school has been showered with awards and recognition. However, at the heart of this continues to be the wonderful community we serve and in particular the simply fantastic children. They have worked hard and played harder. I hope they have all enjoyed their learning nearly as much as we have loved teaching them.

Finally, I would like to wish you all a great summer. I hope you are able to take a break and that the children come back to us fully refreshed and ready to start the new year.

Yours,

Martin Fallon
